3 Guys Recommends

Angry Hawaiian Guy

Made with sliced Canadian bacon, pineapple, and plenty of jalapenos. Hold the jalapenos if you'd prefer a Happy Hawaiian.

Cheesy Guy

Mozzarella, provolone, parmesan, feta crumbles (and lots of it). Choose from sauce options.

Big Spender

Pepperoni, pork sausage crumbles, freshly browned ground beef, red onions, sliced mushrooms, and thinly sliced green peppers.

Carnivore

A meat lover's dream loaded with pepperoni, Canadian bacon, freshly browned ground beef, pork sausage crumbles, bacon, and chunky Italian meatballs.

Yummy Muffaletta

Ham, Salami, mushrooms and red onions topped with special muffaletta olive salad of artichoke hearts, green & black olives blended with mix of herbs.

Vampire Killer

Red onions, feta cheese crumbles, minced garlic, kalamata olives, and roasted chicken. Really want to slay the undead? Try it with anchovies instead of roasted chicken.

The Fireman

Choose from either fried chicken or sliced roasted chicken breast. Add Three Guys Buffalo Sauce (hot or mild).

Chicken Bacon Ranch

We start with house-made ranch dressing base, then load it up with sliced roasted chicken, bacon crumbles, and plenty of mozzarella cheese.
